INSTRUCTIONS FOR SUMMER TRAINING REPORT

1. A chapter may be further divided into several divisions and sub-divisions depending on type & volume of work. This contains the text & related to hardware & software implementation.
2. The length of the training report may be about 40 to 70 page. A spiral bound hard copy is to be submitted by each student. The print should be on single-side only.
3. The training report shall be computer typed (English- British, Font -Times Roman, Size-12 point) and printed on A4 size paper. The training report shall be typed with 1.5 line spacing with a margin 3.5 cm on the left, 2.5 cm on the top, and 1.25 cm on the right and at bottom.
4. Every page in the report must be numbered. The page numbering, starting from acknowledgements and till the beginning of the introductory chapter, should be printed in small Roman numbers, i.e, i, ii, iii, iv..... The page number of the first page of each chapter should not be printed (but must be accounted for). All page numbers from the second page of each chapter should be printed using Arabic numerals, i.e. 2,3,4,5... All printed page numbers should be located at the bottom centre of the page.
5. **The table of contents** should list all headings and sub-headings. The

preceding section like The title page and certificates will not find a place among the items listed in the Table of Contents. but the page numbers in lower case Roman letters shall be accounted for them. The title TABLE OF CONTENTS in Times New Roman with size 14 bold as heading be placed in centre should start about 50 mm -60 mm from the top of the page. One and a half spacing should be adopted for typing the contents in a manner shown in specimen copy of the Table Contents as given in Annexure I. The main text of TABLE OF CONTENTS should begin thereafter 5 to 6 single line spacing from the title TABLE OF CONTENTS.

6. **The list of tables** should use exactly the same captions as they appear above the tables in the text. One and a half spacing should be adopted for typing the matter under this head.
7. **The list of figures** should use exactly the same captions as they appear below the figures in the text. One and a half spacing should be adopted for typing the matter under this head.
8. The list of symbols, abbreviation & nomenclature should be typed with one and a half line spacing. Standard symbols, abbreviation etc should be used.
9. Subject matter must be typed on single side of the page.
10. All the pages must be numbered properly.
